
DigiMag® VINYL Solvent Inkjet **Printable Magnetic Sheet**

Expand your printing capabilities with DigiMag® VINYL magnetic sheet.

Magnum Magnetics manufactures white, printable magnetic sheets for wide-format solvent inkjet printers. Now you can easily create magnets in exciting full color.

DigiMag® VINYL has multiple uses and features. You can purchase DigiMag® VINYL inkjet printable magnetic sheet in rolls or in sheets, cut to your specifications.

- Flexibility... DigiMag® VINYL magnet lays flat and adheres to most metal surfaces or Magnum's magnetic receptive RubberSteel® sheet.
- Easy to Use... stamp it, score it or punch it. DigiMag® VINYL magnet can be cut with a knife or scissors to any desired shape.
- Special surfaces bring out the brilliant color of your creations. **DigiMag® VINYL** is available in matte and premium gloss finishes.
- Easy to Store.
- Works with a variety of solvent inkjet printers including Roland® and Mimaki®.
- **DigiMag® VINYL** can be used both indoors and outdoors.
